

## SOLAR, WIND, & EV

# IGNITE THE FUTURE

*Hands-on Learning, Real-World Experience, Career Exploration*

Ready to explore the future of energy? The Solar, Wind, & EV Academy is a unique, 11-week program for high school students interested in the fast-growing world of clean energy. Dive into the careers, technologies, and skills driving a sustainable tomorrow!

**Dates:** January 18th - April 5th  
(Saturdays only | 9am-12pm)

**Location:** ISU Renewable Energy Lab

### What You'll Learn:

- 🌿 Energy Sustainability
- ☀️ Solar & Wind Energy
- 🚗 Electric Vehicle Technology
- ⚙️ Renewable Energy Systems

### Hands-on Field Trips and Tours:

- Rivian, RWE, NOAA, EDP Renewables, and more.
- Note: **Transportation provided!**
